

AHEPA Citrus District 2 of Florida, Puerto Rico & The Bahamas 2022 District 2 Convention
Jerry Galovic, Lt. Governor Officer Report

1) Accomplishments

- a) I was the liaison for Chapters 16, 317, 489, 381 and created the Chapter Traffic Light Chart.
- b) Created a District Calendar of Events on gmail that contains Chapter events, AHEPA national events, Church festivals, and anything else.
- c) Created District Newsletters during the Year
- d) Co-organized the District 2 100 year Shirts campaign with Supreme Governor Kostas Sofikitis
- e) Created 2021-2022 Chapter Officer's contact list with information from the National AHEPA Database.
- f) The previous District 2 website was getting hacked almost every week. This became a big problem during the District 2 Scholarship period. I worked with PDG Mike Trimis, PDG Charlie Stamoulis and Brother Peter Konstantokos in moving the District 2 website off of HostGator to GoDaddy and adding GoDaddy daily security measures to our website.

2) Visitations and Events

- a) Attended the Business Fair organized by the Daughters of Penelope in New Port Richey
- b) October 2021 drove to Tallahassee and met with Chapter 317 President Stelios Manias
- c) March 2022 Drove to and attended Chapter 487 meeting in Boca Raton
- d) Nov 2021 - March 2022 Drove to and attended 3 Chapter 381 meetings in Gainesville.
- e) Attended the formation of the Sons of Pericles Chapter in Orlando.
- f) Attended at least 3 Chapter meetings for Chapter 489 in New Port Richey.
- g) Attended every Lodge meeting but one. (Epiphany week- had COVID)
- h) I spoke with Past Supreme Sons's President Paul Pavlakos, who resides in New Jersey now, about creating a Son's Florida database of Sons members who leave the State of Florida to pursue a life elsewhere. That, we should, with their permission, contact the AHEPAN chapter near their new place of residence and provide them basic contact information. They can then offer some support during the move, where to look for housing, help on local banks, etc. AND, where and when the AHEPA Chapter meetings are held.
